Proponents

**Atty. James Cipoletta
385 Broadway, Revere, MA**

Letter from Dennis Moschella in favor of this proposal has been received and made part of the official documents of the Revere City Council.

Comm. to the Council from Dennis Moschella:

I would like to speak in favor of Bikers Outfitter application for a Class 2 License to sell new motorcycles. I worked part time at that dealership selling new Yamaha Motorcycles in 1989 and prior to that I bought a new motorcycle there in 1971. As the Revere Police Community Resource Coordinator, I believe that Bikers Outfitters has been a good neighbor and an asset to the business community of Revere. As a small business owner he’s been proactive in promoting the City of Revere and as far as I know there have not been any complaints about this business.

Opponents

None

Hearing held, subject matter referred to the Zoning Subcommittee, and further that the City Council request an opinion from the City Solicitor regarding this license.

On TUESDAY, THE TWENTY FIFTH DAY OF FEBRUARY 2014, FROM 7:00 A.M. TO 8:00 P.M. for the following purpose:

To cast their votes in the Special City Election for the following:

CASINO REFERENDUM.....CITY WIDE

QUESTION 1: CASINO REFERENDUM

Shall the City of Revere permit the operation of a gaming establishment licensed by the Massachusetts Gaming Commission to be located at the Suffolk Downs property off of Winthrop Avenue in Revere?

A Yes vote by a majority of the votes cast for this ballot question would permit the Massachusetts Gaming Commission to issue a gaming license to Mohegan Sun for the operation of a gaming establishment at the Suffolk Downs property in Revere, under the terms of the Host Community Agreement summarized below.

A No vote by a majority of the votes cast for this ballot question would prevent the Massachusetts Gaming Commission from issuing a gaming license to Mohegan Sun for the operation of a gaming establishment at the Suffolk Downs property in Revere.

**SUMMARY OF THE HOST COMMUNITY AGREEMENT
BETWEEN THE CITY OF REVERE AND MOHEGAN SUN
DECEMBER 23, 2013**

Below is a summary of the principal terms of the Host Community Agreement (the "HCA") between the City of Revere (the "City") and Mohegan Sun Massachusetts, LLC ("Mohegan Sun"), for a proposed resort-style casino located off of Winthrop Avenue in the City.

A complete copy of the HCA is available on the City's website at www.revere.org and on the Massachusetts Gaming Commission's website at www.massgaming.com. A hard copy of the HCA may be obtained at the City Clerk's Office. This summary is qualified in its entirety by the complete HCA. This summary has been approved by the City Solicitor and is published in accordance with M.G.L. 23K §15(13).

The Project

Mohegan Sun proposes a resort-style casino to be located off of Winthrop Avenue in the City. Mohegan Sun proposes to invest more than \$1 billion to develop the casino and make improvements to the regional transportation and other infrastructure, and expects to generate approximately \$1 billion in gaming revenue each year at maturity. The project is expected to create 2,500 construction jobs and 4,000 permanent jobs.

If approved by the voters of Revere, Mohegan Sun would need to obtain a casino license from the Massachusetts Gaming Commission and various permits from state and local agencies in order to develop the project. The HCA will remain in effect for as long as Mohegan Sun holds a casino license. All of Mohegan Sun's obligations under the HCA are contingent upon the Gaming Commission issuing a casino license to Mohegan Sun.

Financial Terms of the HCA

In order to mitigate the impacts of the casino on City residents, businesses and municipal services, the HCA requires that Mohegan Sun make the following payments to the City:

<u>Initial Payments:</u>	Up to \$33 million divided into four installments of \$6 million, \$9 million, \$9 million and \$9 million each, due, respectfully, on or about July 15, 2014, July 15, 2015, July 15, 2016 and July 15, 2017. Initial Payments cease upon opening.	
<u>Pre-Payments of the Community Impact Fee:</u>	Starting on July 15, 2018, an annual pre-payment of the Community Impact Fee of \$9 million, to be paid in each City fiscal year until the casino opens, if applicable.	
<u>Community Impact Fee:</u> (Annual payments to the City after the casino opens, inclusive of property taxes).	Once the casino opens, Mohegan Sun must pay the City either a minimum financial payment or a percentage of Gross Gaming Revenue, whichever number is higher. The Minimum Community Impact Fee in each year of casino operations is determined by the following chart:	
	<u>Year of Casino Operation:</u>	<u>Minimum Annual Payment:</u>
	Years 1-3	\$25 million
	Years 4-6	\$28 million
	Years 7 (and thereafter)	\$30 million
	In order for the City to receive a percentage of Gross Gaming Revenue, the total amount of Gross Gaming Revenue multiplied by the corresponding percentage in the chart below, must be higher than the Minimum Payment for the year of casino operations.	
	<u>Gross Gaming Revenue:</u>	<u>Percentage:</u>
	\$0.00 – \$850,000,000	2.94%
	\$850,000,001 – \$875,000,000	3.08%
	\$875,000,001 – \$900,000,000	3.22%
\$900,000,001 – \$925,000,000	3.36%	
\$925,000,001 – \$950,000,000	3.50%	
\$950,000,001 – \$975,000,000	3.75%	
\$975,000,001 – \$999,999,999	3.85%	
\$1,000,000,000 – [no upper limit]	4.00%	

	<p><u>Example 1:</u> If gaming revenue in Year 1 is \$350 million, the City would receive \$25 million.</p> <p><u>Example 2:</u> If gaming revenue in Year 4 is \$1 billion, the City would receive \$40 million.</p> <p><u>Example 3:</u> If gaming revenue in Year 8 is \$1.3 billion, the City would receive \$52 million.</p>
<u>Use of Community Impact Fee</u>	<p>The City intends to use a portion of the Community Impact Fee from the first year of casino operations as follows:</p> <ul style="list-style-type: none"> • \$2 million to the Police Department; • \$2 million to the Fire Department; • \$1 million to the Public Schools; and • \$1 million to General Municipal.
<u>Tax Payments:</u>	<p>In addition to the Community Impact Fee, Mohegan Sun must pay or arrange for the payment of Motor Vehicle, Hotel and Meals Excise Taxes to the City (including the equivalent of taxes on certain “comped” rooms and meals). Mohegan Sun must also pay all regular municipal permitting fees and utility fees.</p> <p>The City and Mohegan Sun will seek all necessary approvals for a payment in lieu of taxes (PILOT) agreement for the Community Impact Fee.</p> <p>Mohegan Sun will receive a credit towards the Initial Payments and Community Impact Fee for the payment of property taxes, unless the credit exceeds the Initial Payments or the Community Impact Fee.</p>

Employment Opportunities and Local Purchasing		
Mohegan Sun must hold job fairs and vendor fairs, and use best efforts to meet the following goals:		
<u>Construction</u>	<u>Jobs:</u>	<u>Permanent Jobs:</u>
<ul style="list-style-type: none"> • 10% Revere residents. 		<ul style="list-style-type: none"> • 20% Revere residents. • 75% residing within 15 miles of Revere.
		<u>Annual Local Purchasing:</u>
		<ul style="list-style-type: none"> • \$10 million from Revere businesses. • \$50 million from businesses located within 15 miles of Revere.

Transportation	Improvements
In order to mitigate the traffic impacts of the casino and address existing transportation problems, the HCA requires that Mohegan Sun make the following infrastructure improvements:	
<ul style="list-style-type: none"> • Route 1A improvements, including the Boardman Street Flyover (Route 1A and Boardman Street) or an equal or superior improvement approved by MassDOT and the City, approximately \$25 million. • Route 1 / Route 16 interchange, improvements and planning for future improvements, approximately \$2.5 million. • Route 16 / Revere Beach Parkway / Harris Street intersection, approximately \$1,600,000. • Donnelly Square, including utility improvements, approximately \$3,860,000. • North Shore Road / Revere Beach Parkway / Tomasello Drive intersection, approximately \$1,000,000. • Mahoney Circle, approximately \$400,000. • Brown Circle, approximately \$175,000. • Route 60 / Revere Street, approximately \$650,000. • Route 1A / Revere Street, approximately \$650,000. • Copeland Circle / Route 1, approximately \$1,250,000. • Beachmont streetscape improvements, approximately \$500,000. • Route 1A, planning for future improvements, approximately \$350,000. • Copeland Circle, planning for future improvements, approximately \$100,000. • Route 60, planning for future improvements, approximately \$150,000. • Improvements to the project’s entrances at Route 1A / Furlong Drive and Winthrop Avenue / Tomasello Drive, cost TBD. • Beachmont Blue Line Station improvements, subject to MBTA approval, cost TBD. • Bicycle access improvements, cost TBD. • Ongoing Transportation Demand Management Program. 	

Obligations of the City
<ul style="list-style-type: none"> • Hold the referendum election. • Support permitting for the casino project, to the extent permissible by law. • Support and facilitate permitting for future related development in the City, to the extent permissible by law. • Not sign HCAs or “surrounding community” agreements with other casinos, unless required by the Gaming Commission. • Generally support the casino project, to the extent permissible by law. • File and consider zoning amendments requested by Mohegan Sun.

Re-Opener	Provisions
As permitted by the Gaming Commission’s regulations and the HCA, the City and Mohegan Sun may re-open the HCA if:	
<ul style="list-style-type: none"> • The City believes that the transportation impacts of the project have not been sufficiently mitigated. • State or municipal agencies require changes to the transportation improvements. • Mohegan Sun proposes a substantial modification on or off the current project site or a reduction in the size of the project. • Regulations of the Gaming Commission require that additional terms must be added to the HCA. 	

- The Gaming Commission does not make compliance with the HCA a binding condition of Mohegan Sun's casino license.
- Non-material terms or typographical errors need to be amended.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said voting.

You are hereby directed to deliver an attested copy to the precinct wardens.

Given under our hands this 27th day of January 2014.

Ordered referred to the Appointment Sub-Committee.

Motions

14-023 16. Ordered on a Motion presented by Councillor Novoselsky as amended: That the Mayor send a letter to the MBTA and MassDOT regarding the extension of Blue Line service to 3:00 a.m. The MBTA is planning to extend Blue Line service past the normal 12:45 a.m. stop time. This will cause a tremendous disservice to the residents living between Beachmont Station and Wonderland Station. In an effort to reduce the noise and vibration factor, we request that the MBTA have all trains slow down on this stretch of the Blue Line during this new time period. Further, that copies of this motion be forwarded to Secretary Davey, and our State Delegation.

14-024 17. Ordered on a Motion presented by Councillor Novoselsky: That the Mayor request the City Planner to investigate the feasibility of installing a raised crosswalk at the public stairs in the vicinity of 81 Campbell Avenue. This area is a speedway and is a public safety hazard to children crossing to go to the Garfield School and to residents in the area.

14-025 18. Ordered on a Motion presented by Councillor Giannino: That the Mayor request Boston Globe Direct to address the poor and

unacceptable delivery practices of the vendors used to deliver the Boston Globe Direct advertisements. Much like litter, the advertisements are blatantly thrown in the street blocking storm drains as well as in homeowners' landscaping, driveways, sidewalks, or condominium common areas. Several residents have also reported attempting to cancel the unwarranted free subscription via either phone or email but were unable to do so.

14-026 19. Ordered on a Motion presented by Councillor Reardon: That the Mayor investigate the feasibility of installing a video surveillance camera at the city reservoir. In addition to the fact that graffiti vandalism has recently occurred at the site, there is a potential for a threat to public safety in that the reservoir is integrated with our fresh water delivery system. The system therefore is potentially subject to infiltration which could endanger the lives and safety of the public.
